
Q005.1 Rev. A: MATERIAL REVIEW BOARD (MRB)

Deliverables Required: None

Frequency: -

Location: N/A

The Supplier Does Not Have Material Review Board (MRB) Authority, Over Items Supplied or Furnished Under This Purchase Order, For Any Characteristic Listed or Unlisted.

The Supplier's Authority is Limited to Scrap, Sort, Built-In Rework, or Re-Processing as Defined Herein.

- **Rework** Shall be Submitted to All Flex Inc. for Review and Approval
- **Repair** is Not an Option for Items Supplied or Furnished Under This Purchase Order
- **Re-Processing** is not Considered and 'MRB-Action'. No Approval is Required for **re-processed** Items.

Rework: Processing of Non-Conforming Material to Make it Conform, Completely, to Applicable Specifications, Standards, Drawings, and/or Procurement Documentation.

Repair: Processing of Non-Conforming Material to Reduce, but not Completely Eliminate, the Non-Conformance. (Repair is Distinguished From Rework, in that, After Repair; the Item Does Not Conform, Completely, to Applicable Specifications, Standards, Drawings, and/or Procurement Documentation.)

Re-Processing: "Re-Running" Items Through Previously Performed, and Standard, Operations Using Normal Production Equipment and/or Gaging.
