
R003.1 Rev. A: *SOURCE INSPECTION*

Deliverables Required: Notification of Readiness

Frequency: As Requested

Location: Communication

Source Inspection by an All Flex Quality Representative is Required at Your Facility.

This Inspection Will Include Surveillance of Products, Procedures, and Facilities. Reasonable Facilities and Your Inspection Equipment Shall be Made Available to the Quality Representative. Unless Otherwise Specified, This Representative Will Perform or Witness the End-Item Acceptance Tests.

Notification of Readiness Must be Communicated to the All Flex Inc. Buyer At Least Five Working Days Before Performing the End-Item Acceptance Testing. Material or Items Furnished Under This Purchase Order Shall Not Be Shipped Without Final Acceptance by the All Flex Quality Representative.
